KELLY HIGH SCHOOL

4136 So. California

Avenue

CHICAGO

During her brief tenure as principal, Mary C. Knaus, has maintained the educational programs which have established Kelly as a demonstration center for the teaching of gifted youth. Her determination and leadership have continued the tradition of past Kelly principals such as May C. Allen, Edmund Daly, and Harold Korey. It is to this effort that we dedicate the 1965-66 Lamplighter. It is for this striving toward higher-quality education that we dedicate Lamplighter 66 to Mary C. Knaus.

Attaining a goal requires a certain amount of strength, maturity, and drive. For each Kelly student, the goal is graduation and the growth towards that goal is filled with days of striving, reaching, and touching upon the new opportunities of learning offered to each student. Kelly is equipped with teachers who care and students who care, thereby making the new opportunities and challenges plentiful and fruitful. The purpose of the Lamplighter 66 is to present the highlights of a student's day filled with these opportunities and to explore the spirit with which a student seeks his goal.

A Heated Election

In November, the senior 4B's held their class elections. After some fierce campaigning, the seniors elected Gerry Breitzer president of the class. Filling out the offices were: Joe Harold, vice-president; Barbara Cory, secretary; and John Leong and Alynne Anderson, treasurers. In March the new 4B class held its elections, resulting in Bernie Grivetti voted president; Bob Kania, vice-president; Debbie Powell, secretary; and Linda Leibforth, treasurer.

A Christmas Drive

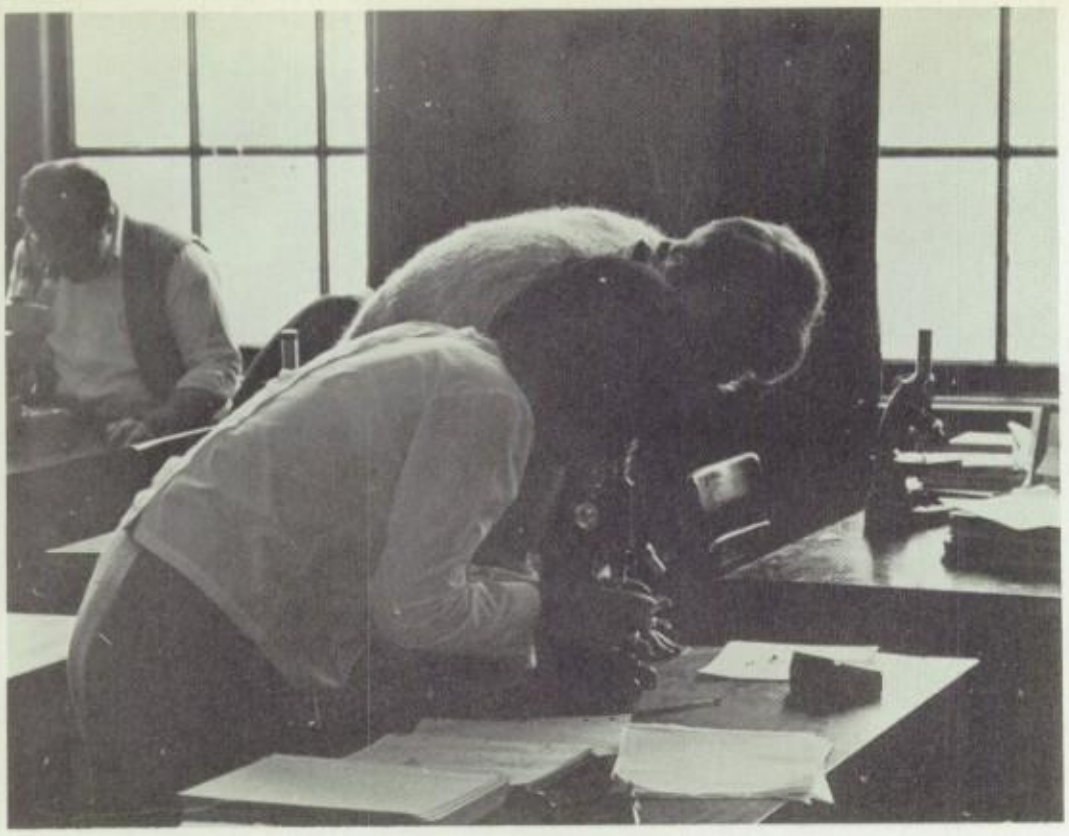
In December, Kelly High School again staged its "Christmas Basket Drive." The Student Council and the Key Club co-sponsored the project, by which the under-priveliged families in the community were given Christmas baskets filled with food and presents. The success of the project can be partly explained by the fact that Davis and Gunsaulus Branches participated in the drive for the first time.

C.C. Dance

On November 10, the Kelly Community Council sponsored its annual Community Council Dance. Held at St. Joseph and St. Anne's, the dance presented the students with a chance to have fun. The feature of the night came when Donna Stukenberg was voted queen, succeeding Linda Viktora, who was accorded the honor last year. Donna Stukenberg's court was made up of Connie Metropolos, Cecilia Zelasko, Amelia Morales, Carol Ann Braun, Nancy Leparski, Joyce Tuman, Kathleen Nowak and Leandra Gonzales.

Kelly Kapers

Holy Kelly! Batman and Robin in person at Kelly High School? Yes, on the nights of March 31 and April 1 the Caped Crusader and Boy Wonder were the center of attraction at the annual Kelly Kapers. Other skits were also staged in an evening full of fun and frolic before the Dynamic Duo departed to solve the diabolical schemes of their enemies.



The major achievement of the Science Department during the school year was the annual Science Fair. Co-ordinated by Mrs. Roberta Hanley, projects were entered in physics, chemistry, biology and mathematics. Once again, Mirga Pakalniskis took first prize, this time in the field of chemistry. Mirga's project, dealing with the molecular structure, was the major attraction of the whole fair.

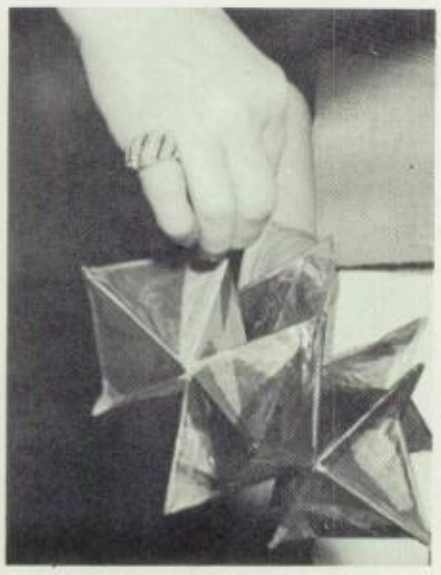
This year the Math Department at Kelly tried to stimulate the minds of both the college and non-college bound students. The only requirement for entering the new course, Modern Practical Mathematics, was one year of algebra. Part of the curriculum covered the use of the slide rule, trigonometry, and math for computer. Each teacher devoted one period a day to coaching students studying the various branches of mathematics.

Four or five books, containing puzzles, games and contest problems were obtained through federal grants. These books were particularly helpful to students interested in math contests. Mainly upper classmen participated in the seventeenth Annual High School Mathematics Contest, which was won by Phyllis Flamm. Freshmen and sophomores also had their chance to excel in a contest held especially for them at Gage Park.

This year, the Orchestra, under the leadership of Mr.. Byron Blackard, purchased three new violins with funds acquired from its successful concerts. These new violins figured prominently in the city-wide ensemble contest, when the string octet received an excellent rating.

Our well known band, under the inspiring leadership of Mr. John Gelsomino, has fulfilled many of its long-awaited goals. With the help of the newly-formed Parents-Alumni Association, the band will purchase new instruments. New uniforms are also on the band's agenda for the distant future. Despite the use of old instruments, the band also received an excellent rating in the city-wide ensemble contest.

The Mixed Chorus and Girls Choir put the finishing touches on the Music Department. Under the direction of Mrs. Oliver, the Chorus and Choir perform in concerts with the Band and Orchestra at least twice a year. They also provide entertainment for the many assemblies called for during the year.



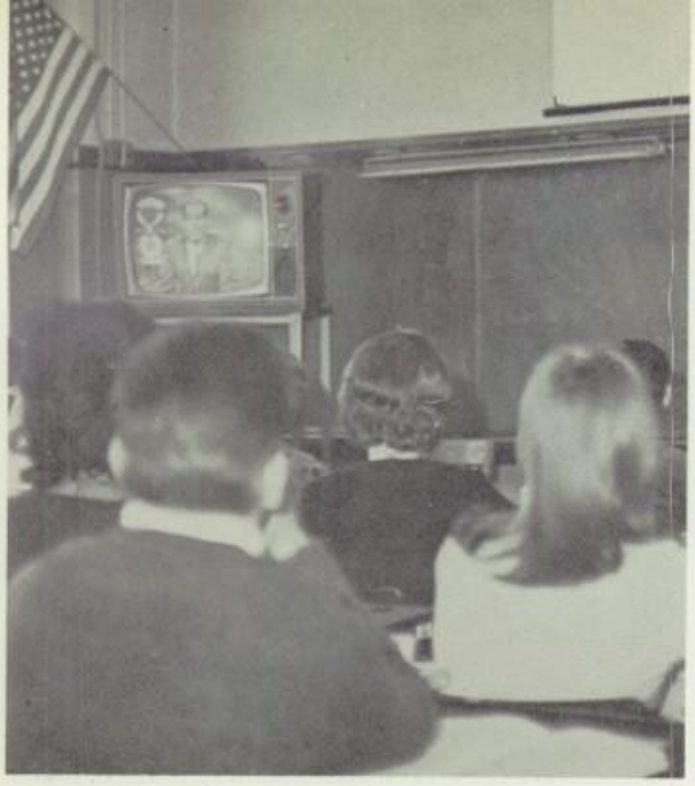
The halls of Kelly decorated with the talent of Kelly students, truly reflect the consideration the art department gives each student artist. Under the direction of Mrs. Verne Role, the art department offers each art major and art minor student an opportunity to freely express himself and then display his work.

The outstanding competition this year was the Scholastic Art Award competition held throughout Chicago at which many Kelly students won awards and honors. A showing of District 12 endeavors was held at the Shields Branch in April and there have been opportunities for interested Kelly art students to further their experience and education in the field of art in the form of contest and scholarships.

During this year, Miss Jane Dzimidas, who heads the Business Department, and Miss Maffei taught Office Occupations, a work-study program in which girls attended school half a day and worked on jobs the rest of the day. Mr. Nawrocki and Mr. Rodack taught Distributive Education, a similar program for boys.

Besides teaching Accounting and Commercial Law, Mr. Zurawski and Mr. Bozek also taught Bookkeeping. Mr. McKenna took care of Sales, while Mr. Carpenter taught Data Processing, a relatively new course offered at Kelly, one of three designated schools.

The other business courses, Stenography and Typing, were taught by Miss Aleks, Miss Dzimidas, Miss Gancarz, Miss Pauss, and Mr. Amato.



This year the History Department, in conjunction with the Student Council, sponsored a city-wide conference entitled "What Does It Mean to Live in a Democracy?" Over 300 students and teachers from both public and parochial schools attended this 'first' for Kelly on February 22.

A new concept has been introduced to a few of the Contemporary American History classes. This new concept allows students to lead the class in a group discussion, their main objective being the comparison of student's views on controversial, contemporary problems. Subjects such as the war in Viet-Nam, the Israeli border dispute and the termination of NATO were a few of the topics discussed. The **Great Decision** booklet, a text used in these history classes, provided material for the subjects.

National Honor Society

N.H.S. Officers

Left column: S. Bates. **Right column:** M. Urnikas, D. Dober, D. Oakes

Character, scholarship, leadership, and service are the four characteristics a Kelly student must possess to be a member of the National Honor Society. It is necessary to have an "E" average, favorable trait ratings, civic award points, and passing grades in every subject. The Isabella Dolton branch of the Society is sponsored by Miss Margaret Olson who each year supervises the induction of new members which takes place at a candlelight ceremony followed by a tea. The officers Marian Unikas, president; Dennis Dober, vice president; Dennis Oakes, secretary; and Sharon Bates, treasurer represent the many Kellyans worthy of being members in the National Honor Society.

Student Council

The Student Council acts as the student governing body of the school year. During the past year, the Student Council sponsored a conference on "What Does It Mean to Live In a Democracy", worked with the Key Club in the "Christmas Baskets Drive", and sponsored the Snowball Dance. The officers of the Student Council during the school year were Greg Fiala, President; Sharon Wrzesinski, Vice-President; Barbara Palus, Secretary; and Rosalie Vitrano, Treasurer.

Student Executive Board

The Student Executive Board consists of the administrative officers from the various major student organizations and clubs at Kelly. The Student Executive Board helps to improve and intensify the lives of all the students by having the opportunity to discuss the school wide wants and perplexities and to coordinate their opinions and plans. This organization provides to the school leaders the opportunity to interpret their plans and ideas into constructive service and assistance for the school.

Future Teachers Of America

Do you want to be a teacher? If you're not sure, then the F.T.A. is for you. This organization is aimed to help the student decide whether or not teaching is his career. It gives the student a chance to assist a teacher and sometimes to tutor a class on his own.

To join the F.T.A. you must have at least a 2.5 average.

The officers of the F.T.A. are Sharon Bates, president, Joyce Weir, vice-president, Pat Reddington, secretary, Joyce Zabritsky, treasurer, and Marilyn Domagala, communication's director.

First Row (l. to r.): L. Wesolowski, M. Pitchford, M. DeSalvo, E. Grabowska, M. Gant. **Second Row:** E. Heyduk, N. Leparski, B. Cory, G. Jarsambeck, R. Hodonowski, M. Porucznik. **Third Row:** J. 'K' Club

The Kelly "K" Club, composed of lettermen of all sports at Kelly, promotes participation in sports and offers a challenge in the initiation procedures. "Scum" are not uncommon in the halls of Kelly each year when the "K" Club supplies the entertainment for every student at Kelly with the display of the brave recipients of letters. The "K" Club initiation dance which follows is also a big event.

The officers this year are Bernie Grivetti, president; Ron Lipke, vice-president; Flint Gregory, secretary; and Frank Sweich, treasurer.

Youth Corps

The Youth Corps is a fairly new organization at Kelly composed of fourteen students who are willing to serve their community and school.

Originally called the Peace Corps Club when it was formed two years ago by Mr. John Watts, the Youth Corps members strove for a closely knit group of students whose purpose would be better aimed in the direction of service.

Among activities sponsored by the Youth Corps in 1965 were a book drive for the Americans in Viet Nam and a Christmas party at a convalescence home.

The officers of this year's Youth Corps were elected in September and assume their positions for one year. They are Sylvia Stankus, president; Daniel Sobieski, vice-president; Nancy Yokup, secretary; and Barbara Cory, treasurer.

Service Girls

The Service Girl's Organization is composed of home economics students or interested young ladies who are willing to offer their time and efforts. The girls learn and gain experience in the fine arts of hostessing and serving at teas, parties, and luncheons. Learning these social graces helps to make the girls more adaptable to their adult roles. By their easy and elegant manner and attractive appearance, they help to raise in esteem the many social activities at which they serve.

Officers, Clockwise: P. Petricig, A. Kotarba, M. Sagneister, A. Morales.

The Girl's Athletic Association is a Kelly organization aimed at interesting girls in athletics for fun while demonstrating the importance of physical fitness. Each year the G.A.A. Board, consisting of sixteen members sponsors the annual Christmas Sing, the G.A.A. membership parties, hikes to points of interest, and other athletic activities.

Any Kelly girl may join the G.A.A. and can earn a patch, letter, or chevron for her performance in the areas of scholastic achievement, physical fitness in school and outside activities, and personal grooming and health habits. Sponsored by Miss Mary Brown, the G.A.A. brings the girls of Kelly closer through its emphasis on physical fitness.

Suffering from a lack of depth, the Kelly Tarpon senior team once again failed to capture first place in its section. The senior swimming team again finished second in their section, losing their only two league meets to first-place Austin. The Tarpons, however, did win eight of ten league meets and twelve of eighteen over-all meets, and finished in sixth place out of thirteen schools in the South Section Relays.

The junior team, however, captured most of the glory, taking first place in their section with an undefeated record. Although the juniors likewise lacked depth, and never suited up their whole team for any one meet, their team effort was good enough to enable them to take ten straight league meets and twelve of fourteen meets over-all. Near the end of the year, several members of the jnior team were moved up to the senior team, but despite the fact that Coach Trybek was forced to rely mainly on freshmen, the team kept right on winning.

The success of the junior team makes future prospects bright for Coach Trybek. Such sophomores as Fernando Figueroa, who should place in the city meet by his senior year in the butterfly, Tony Janusis in the breastroke, Vince Prapuolenis in the freestyle, and Ed Gruba in the breastroke sparkled on the junior team and should do well on the senior team, as should Alan Bednarz and Steve Chadwell, who hopes to carry on in the footsteps of his brother, co-captain Joe Chadwell. Coach Trybel will pin his prospects for the coming year on these boys plus returning lettermen Tom Malesky, Tom Kelly, Gary Sherwood, and Ron Grenko, while his junior team will be built around Garry Malcolm in the breastroke and Doug Konicki in the butterfly.

Football

The Kelly Trojans, beset by numerous injuries, ended their 1965 football season with a disappointing record of 1-5 and a fifth-place finish in the Public League's South-Central White Division.

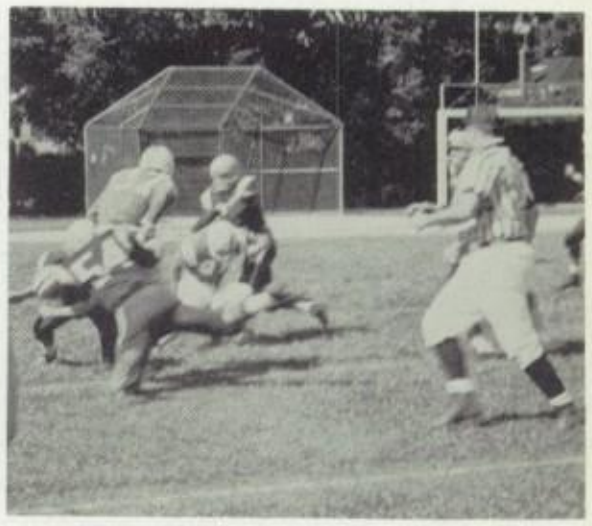
At the start of the season, the Trojans entertained notions of a first-place finish. Plans called for a highly-diversified offense, with everything depending on the passing arm and leadership of junior quarterback Bernie Grivetti. These plans were ruined when Grivetti suffered a broken leg in the Harper game, and Bob Vascik, his replacement, was not able to move the team the way Grivetti would have.

The pass catchers were more than adequate, with Brad Adams, Rich Fleming, and Harrison Stewart starting, Stewart was also used as a running back, as the tragic death of Jim Monahan minimized the Trojan runners to Greg Fiala and Joe Mathis.

The team was also hurt by the loss of tight end Rich Fleming and defensive tackle Ron Lata, both of whom suffered broken legs. The loss of Lata weakened the defensive corps, who still did a solid job all season, led by Frank Abruzzo, who also played offensive center. All in all, the team could be credited as playing as well as possible under the circumstances.

The first half ends.

Mathis and Fiala reach for a punt.



Adams blocks for a run by Grivetti.

In their first game of the year, the Trojans of Kelly lost a hard-fought 20-0 game at the hands of defending city champion Chicago Vocational.

Despite the size of the score, Vocational had to put up a hard fight to earn the victory. A brilliant Kelly defense did not permit Vocational a score until shortly before the end of the first half, and continued fighting until the last minute.

The Kelly offense, for the most part, could not move the ball. The Trojans had the first opportunity to score, when a picture-book 64-yard pass from quarterback Bernie Grivetti to flanker Harrison Stewart put the ball on the CVS 12-yard line. Grivetti then seemingly scored a touchdown, but this was called back because of a Kelly penalty, and the Trojans failed to move the ball past the 1-yard line.

Another sorrowful aspect of the game was the loss for the season of star defensive tackle Ron Lata, who suffered a broken leg early in the game. Lata showed his value to the team by recovering a CVS fumble shortly before he was injured.

Grivetti throws a sideline pass.

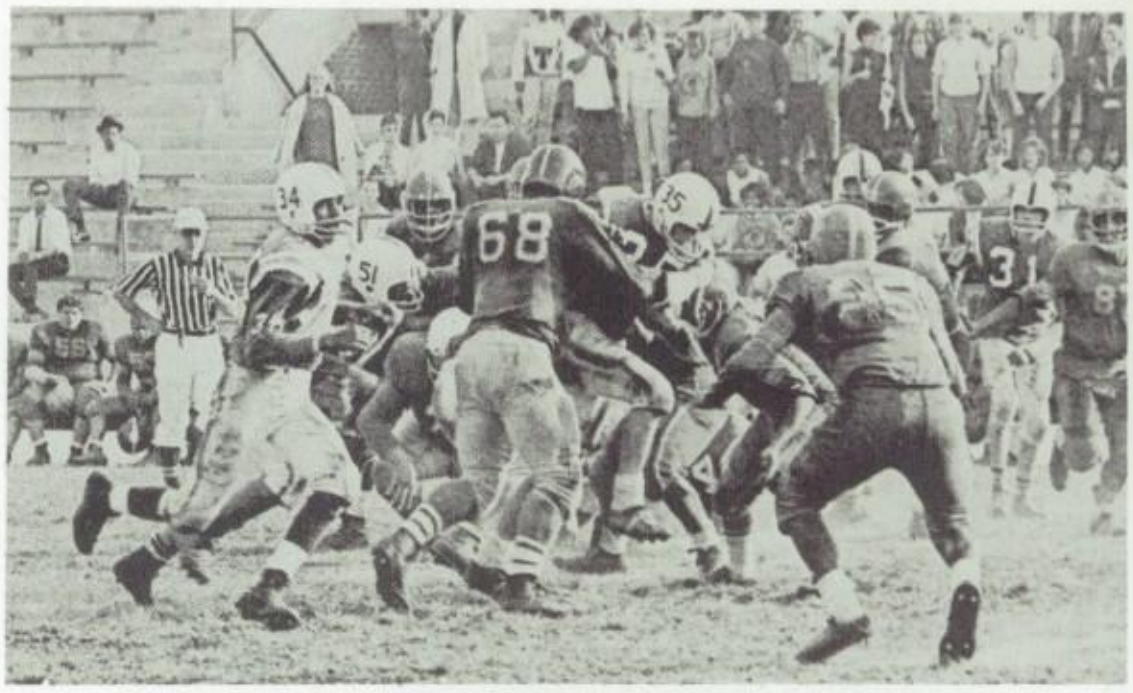
Adams defends against Vocational pass.

Alumni meet during the game.

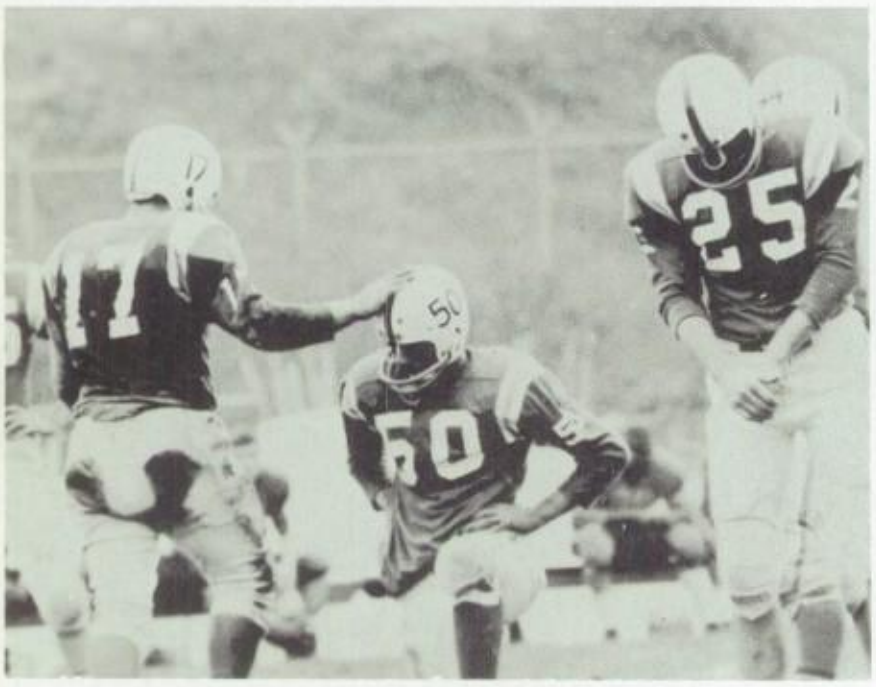
Trojans prepare to punt.

Adams is hit as he catches a pass.

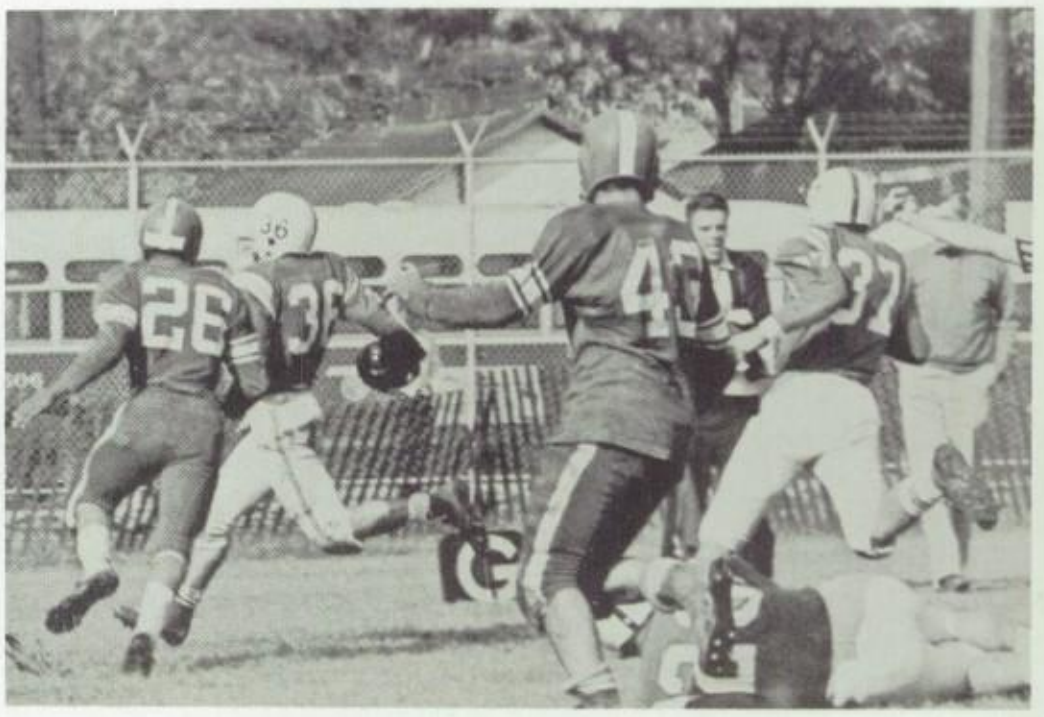
Fiala and Romano give chase to Harper ball carrier.



Fiala rips through the defensive line.



Marshall gives words of encouragement.



Mathis runs across extra point.

Puodzius takes a break.

Adams scores a touchdown.

In their first league game of the 1965 season, the Green Giants, led by an unpenetrable defense and the brilliant running of fullback Greg Fiala, smothered the Harper Cardinals, 19-0.

Fiala scored two touchdowns, and had a 75-yard touchdown run called back. In addition, he gained over 100 yards rushing from scrimmage. Brad Adams scored the other Trojan touchdown, on a beautiful 44-yard pass completion from quarterback Bob Vascik.

Despite the fine showing of the team, the game brought its bad moment. Quarterback Bernie Grivetti, the main cog in the Trojan offense, was lost for the season when he suffered a broken leg in the second quarter, the second Trojan to meet such a fate.

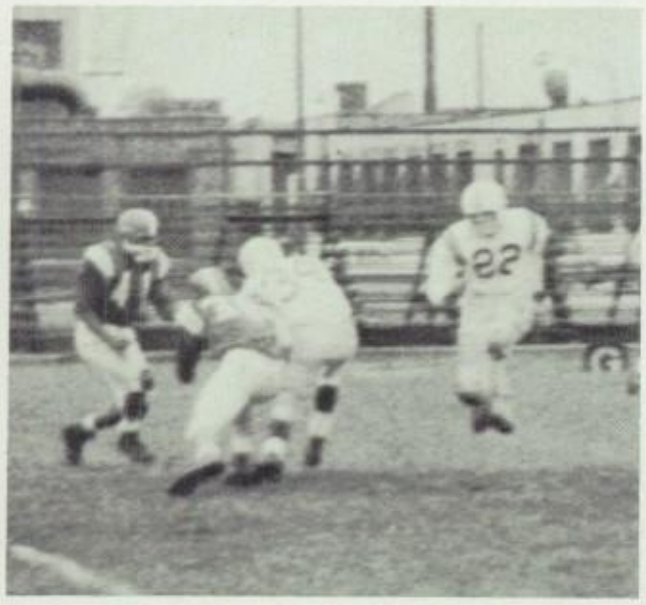
Kelly fumbles!

With the thought that two of their regulars were already out for the season, the Green Giants took the field against a speedy Phillips team in an effort to take their second league victory, but failed, losing by a score of 14-0.

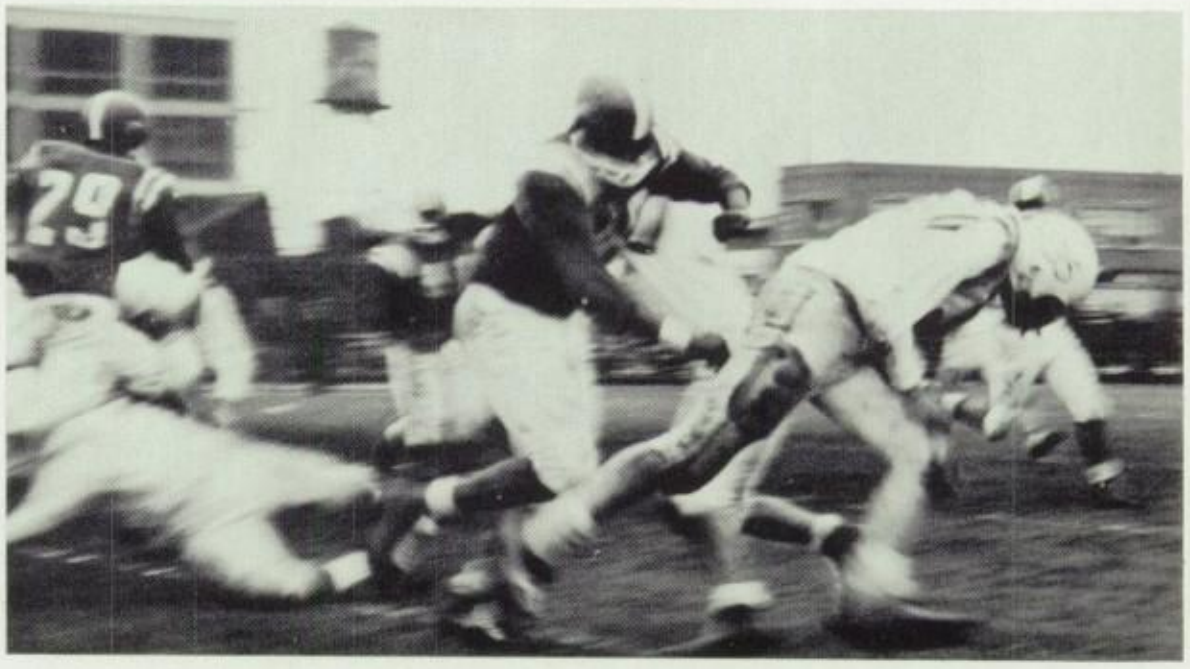
Once again, a staunch defense held Phillips at bay most of the game, although a defensive lapse permitted Phillips to score on a long touchdown pass. The offense, though, was unable to move the ball consistently, and was unable to score.

For the third straight game, Kelly suffered a severe setback to their title hopes. Starting halfback Jim Monahan, playing in his first game after being out with injuries for the first two games, collapsed while running off the field and died a tragic death that evening.

Monahan throws a pass.



Stewart reaches for a pass.

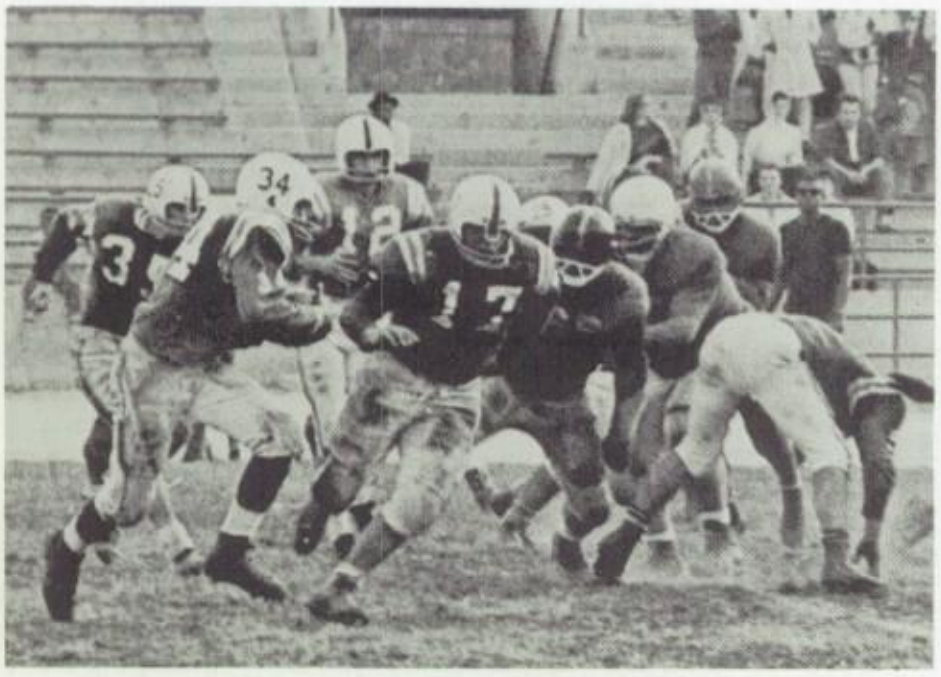


Fiala breaks through the Phillips line.

Mathis tries to evade tackler.

Anderson and Adams bring down Tilden halfback.

Harrison Stewart rips through the line.



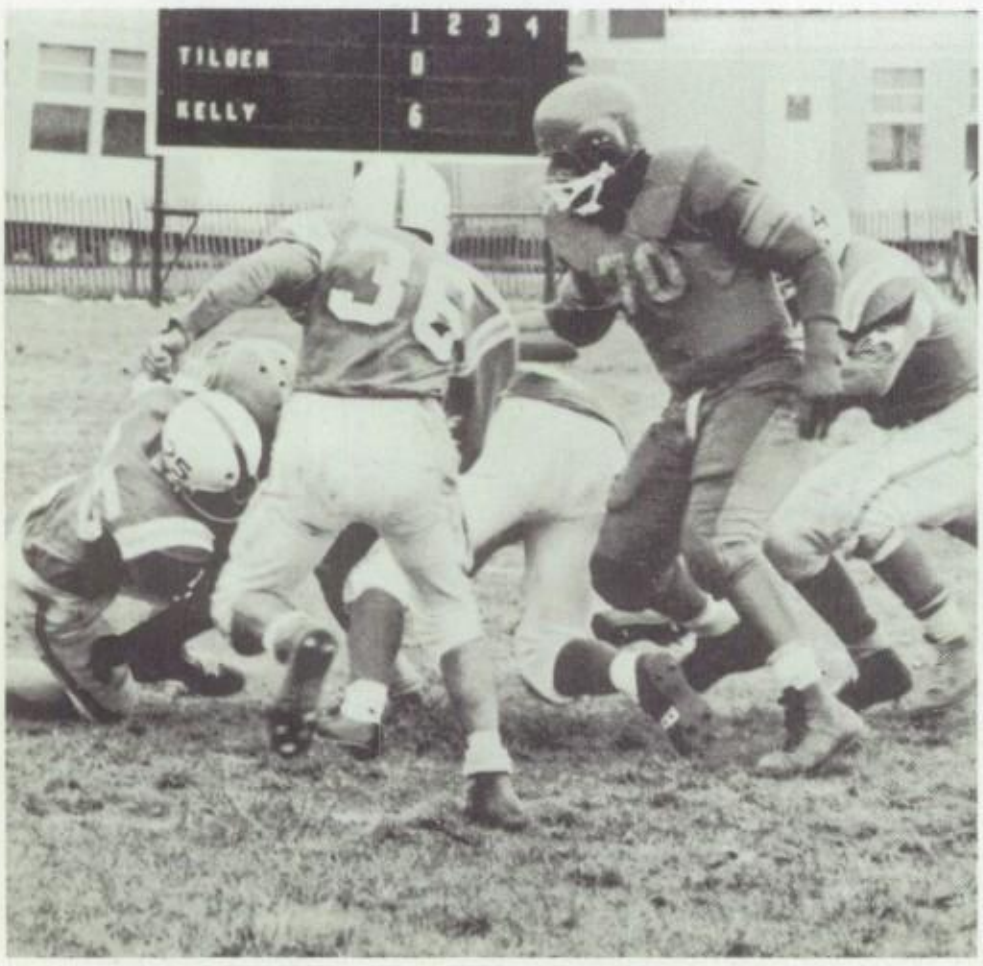
Marshall blocks on an end run by Stewart.

Trying to forget the unfortunate circumstances which had gone against them all season, the Trojans went up against a huge Tilden team and suffered their second consecutive league loss, 21-6.

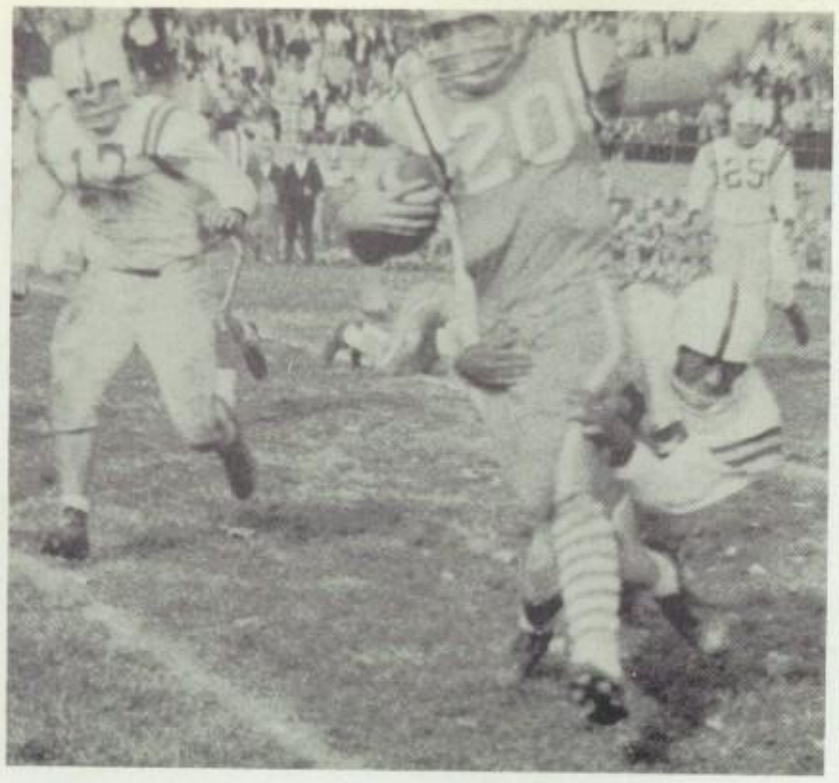
The Trojans were the first to score, when quarterback Tom Malesky hit Harrison Stewart with an 8-yard touchdown pass. The Trojans could not check the Tilden offense, and the offense could not sustain a march after the first half.

For the first time, the Trojans came out of a game unscathed, and looked forward to the annual homecoming game to be played against oft-beaten Calumet.

Murphy brings down Tilden ball barrier.



Injured Trojans Grivetti and Lata watch the action.



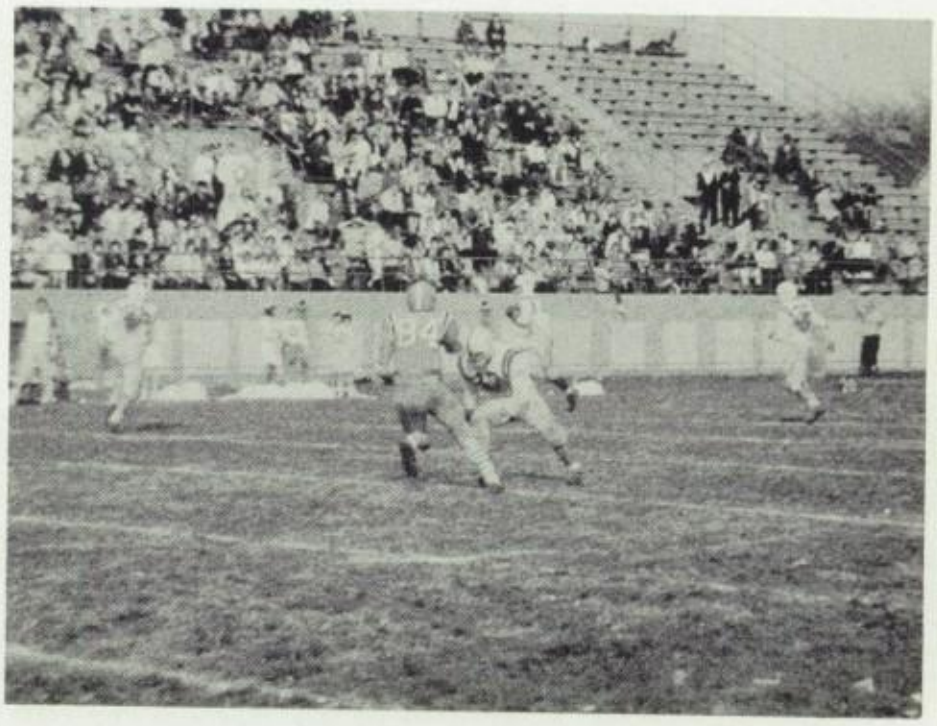
Stewart leaps to intercept a pass.

Stewart tackles Bogan runner.

Playing their last game of the year, the Trojans outplayed the Bogan Bengals but still suffered their fourth straight defeat, 6-0.

The Trojans dominated the game, especially the first half. Repeatedly, they made trusts at the Bengal goal line, but were unable to push the ball across. The deepest penetration reached the Bogan 4-yard line, where a fumble was recovered by Bogan.

The defensive team continued its fine play, as it permitted the explosive first-place Bengals only one touchdown, a six-yard scamper late in the third period. Algis Puodzius and Frank Abruzzo, who with 16 other seniors were playing their last game, led the stalwart Trojan defense.



Stewart returns a punt.

1965

On October 22, the Trojans went up against Calumet in the homecoming game, but were completely outplayed by the heretofore winless Calumet team and lost, 27-6.

The defensive team of Calumet bottled up the Kelly offense most of the game, permitting Kelly to score only one touchdown, a 9-yard pass from quarterback Bob Vascik to halfback Harrison Stewart. Meanwhile, the Calumet offense was rolling up the yardage against an outclassed Kelly defense, and put on the finishing touches on a brilliant 85-yard touchdown returnof the second half kickoff.

For the fourth time in five games, a Trojan sustained a serious injury. Tight end Rich Fleming suffered a broken leg late in the game, the third Trojan to do so this year. The result of the game and the injury took much of the glamor and pageantry off the homecoming ceremonies.

"The Dance" to end a perfect day.

Basketball

The Kelly Trojan basketball team, hurt immeasurably by the mid-year graduation of two starters, finished the 1965-1966 basketball season with a 5-5 league record, good enough for a fourth-place finish in the South-Central Blue Division.

At the start of the year, the Trojans, with Dennis Dober and Ron Lipke at guards, Mark Mistina and Frank Sweich at forwards, and Algis Puodzius at center, were one of the top teams in the Chicago area. The Trojans won seven of nine exhibition games, losing only to Weber and Bowen. The Bowen game took two overtimes, in the championship game of the Bowen Christmas Tournament, and even then the Trojans lost by only 70 to 67. This followed right after the Trojans had captured first place in their own Kelly Christmas Tournament by defeating Gage Park 71 to 56 and Harper 56 to 39.

The Trojans then began their conference season with a whomping win over Hubbard and a loss to Lindblom, before upsetting Englewood in overtime. The win over Englewood gave the Trojans an honorable mention in the Sun-Times poll of the top sixteen teams in the Chicago area. After beating Gage Park and losing a close game to Hyde Park, the Trojans were faced with the semester break.

When the Trojans resumed their playing, Bob Yuska replaced Algis Puodzius and Joe Rekar replaced Dennis Dober, both of whom graduated. Yuska, starting his only game, set a school record of 25 rebounds against Simeon, but from then on it was all downhill for the Trojans. The rest of the season gave them only two wins, against Gage Park and against Hubbard, a game in which Ron Lipke set a school record of 41 points. The Trojans then finished up their season with a 58 to 46 loss to Cooley in the first round of the Blue Division playoffs.

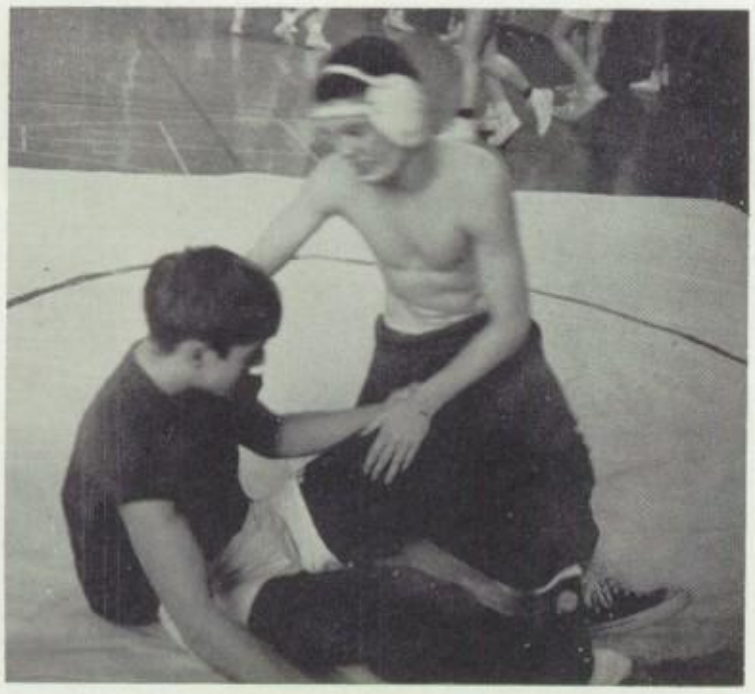
Wrestling

City wrestling champion Stan Venters demonstrates hold to teammate Joe Mathis.



Under the leadership of new coach Francis Prendargast, the Kelly wrestling team once again had a successful season. The team's 5-2 record was good for a tie for second place in the section with Tilden, one game behind section champ Crane.

It was during the league season that the team began to roll. With a 4-4 practice meet record, the Trojans were not counted on as title contenders, but the rest of the schools were in for a surprise. Led by captain Stan Venters, who lost only one match all year, the team lost only to Tilden and Crane in league matches.

By the city wrestling matches, Kelly wrestlers were at their peak. Captain Stan Venters swept through five opponents and took first place in the city in his weight division. Greg Fiala reached the city semifinals before being eliminated, but this was good enough to give him fourth place in the city. Furthermore, Bob Schindler and Rick Hudley reached the quarterfinals before being eliminated, placing Kelly 10th in the city out of 24 schools entered.

Graduating seniors are bound to hurt the team's chances next year. The team will lose Stan Venters, Bob Schindler, Rich Hudley, Al Marshall, Joe Mathis, Ron Oleksy, and Greg Fiala. However, Coach Prendergast will be able to build his team around such promising returness as Jim Murphy, Wayne Messmer, Sam Reyes, Ron Kulpa, Fred Goode, Frank Navarro, and Doug Kopczinski.

Although off to a bad start, the Kelly basball team still had hopes of duplicating last season's performance of reaching the semi-finals in the city prep baseball championships. By April 21, the baseball team had lost four of five exhibition games and also their first league game. The unsettled pitching staff was having its troubles, and the hitting was erratic. Nevertheless, the team still hoped to improve its showing, depending on returning starters such as Flint Gregory, who suffered a leg injury early in the year which hurt the team's progress. The team also depended on Chuck Ellison, Chuck Johnson, Tom Studnicka, Ron Lipke, and new players such as Glenn Lesniak, Rich Sienkowski, George Voletta, Mark Zeman, Jerry Arena, and Brad Adams.

Occasions in the school year are those special days exciting to live and remember. May 20, 1966, will be a well-remembered night for the 900 couples who danced to the music of the **Stardusters** at the Chicago-Sheraton Hotel, and then went nightclubbing in various spots throughout the city.
